HOW TO USE SUBJECT GUIDE

TO INDIAN BOOKS IN PRINT

This subject guide to INDIAN BOOKS IN PRINT 1986 contains a detailed information about 85,000 books published in the country. A comprehensive INDEX has been appended to facilitate the location of entries about the books. All necessary references about any particular subject, state, country have been systematically ordered, combined and alphabetized in the INDEX to make it more useful. If a reader intends to look for books on Indian Agriculture for example, he can obtain all details concerning such books in the INDEX listed under the items both Agricultre and India. If, however, the reader wants to consult books on other topics about India, he will find them in the INDEX listed under India as well as under specific subject—For example :

India

- Agriculture
- History
- Philosophy

Under specific subjects :

- Agriculture
- History
- Philosophy
- Theatre

Subjects where found necessary, have been subdivided e.g. :—

- Bengali literature
- Poetry
- Drama
- Fiction

All entries in the INDEX regardless of the number of words, are considered single headings and are alphabetized letter by letter.

Subject-wise entries are arranged according to the Dewey Decimal Classification (16th Edn.) with some modifications. Under each specific subject the entries have been arranged alphabetically author-wise. The rendering of names of authors have been done according to Ranganathan's *Classified Catalogue Code*. A few examples are given below :

Personal : DUA (Shiva S).
Society and culture in Northern India, 1850-1900. Delhi, Indian Bibliographies Bureau, 1985. viii, 272p. 210.00.

Institution : ASSOCIATION OF INDIAN UNIVERCITIES (New Delhi).
Handbook of engineering education 1985. New Delhi, AIU, 1985. xxii, 297p. 16.00.

Government : INDIA, EDUCATION (Ministry of-).
Challenge of education-a policy perspective. New Delhi, Ministry of Education, Govt of India, 1985. 119p. Unpriced.

Feature headings have been provided alongwith Dewey numbers. The information about each book has been given in the following order :

Class Number ; author (s) ; editor or compiler, title ; sub title ; edition (if not 1st) ; place of publication ; publisher ; year of publication ; number of pages and price.

Examples :
378
HOMMADI (A H).
Higher education in third world.
Delhi, Indian Bibliographies Bureau,
1985. x, 240p. 145.00.

Where there are two or more works by the same author under a specific subject, the name of the author is not repeated and the works are arranged alphabetically by their titles.

Where number and feature headings are not provided for in the Dewey Decimal Classification and the subjects are of Indian or recent origin, new suitable numbers for such subjects have been coined.
